

WIFI SMART METER

ADSM-63W

DESCRIPTION / APPLICATION

An IoT-enabled energy monitoring solution for real-time electricity consumption. A circuit protection device remote WiFi control of anytime from anywhere. Ideal for homes, offices, and industrial facilities seeking to optimize power usage.

MAIN TECHNICAL DATA

Rated voltage	AC220V
Over current protection	1A~63A adjustable
size	85*36*49mm
Power consumption	<2W
Over-voltage protection	250V-300V adjustable
Under-voltage protection	150V-190V adjustable
Leakage protection	10MA-99MA adjustable
Self-reset time	5sec.~99sec.,adjustable

PART NUMBER EXAMPLE

BASE NUMBER	DESCRIPTION
ADSM-63W	ADJ.VOLTAGE,CURRENT AND E/L DEVICE WITH KWH METER
EXAMPLE	ADSM-63W(ADJ.VOLTAGE,CURRENT AND E/L DEVICE WITH KWH METER)

DIMENSIONS AND MOUNTING
